AIT
Asian Institute of Technology

SCHOOL OF ENVIRONMENT, RESOURCES & DEVELOPMENT (SERD)

Since 1959, the Asian Institute of Technology (AIT) in Thailand has been one of Asia's leading higher learning institutes focusing on critical global issues through advanced higher education, research, capacity building and outreach.

SERD responds to regional needs by mobilizing and enhancing capacities for socially, economically, and environmentally sound development in partnerships with public and private sector enterprises.

OUR ADVANTAGES

- World-class, international faculty from 50+ countries
- Multicultural student body from 60+ countries
- Global network of 23,000+ AIT alumni
- Partnerships with organizations like the UN, ADB, ASEAN and the World Bank along with other national partners
- Over 500 ongoing sponsored research projects

FINANCIAL SUPPORT

- AIT offers a limited number of full and partial scholarships for its Masters and Doctoral programs on a highly competitive basis for those who can show proof of financial need.
- Royal Thai Government (RTG) Scholarships and Fellowships are also offered to qualified applicants from Thailand and RTG-supported Asian countries.
