**YOUR NEXT STEP**

**PROCEDURES**

- AIT Application online form for Admission
- Official attested transcript(s).
- Evidence of proficiency in English.

**SCHOLARSHIPS**

- 1. China Scholarship Council
- 2. Asia Pacific Scholarship for Asia’s Best Masters
- 3. AIT Alumni Scholarship
- 4. AIT Staff and Faculty Scholarship
- 5. Royal Thai Government (RTG)

**TUTION AND FEES**

- M.S. Program: 2,480 USD/semester
- M.A. Program: 1,760 USD/semester
- Ph.D. Program: 2,560 USD/semester
- Professional Master’s Program: 2,200 USD/semester

**ENERGY, ENVIRONMENT AND CLIMATE CHANGE**

- Environmental and Social Sustainability Assessment and Management (ESSA)
  - Energy, Environment and Climate Change (EECC)
  - Environmental Engineering and Management (EEM)
  - Energy and Climate Change Engineering (ECE)
  - Environmental Management (EM)
  - Urban Environment and Management (UEM)
  - Environmental and Social Sustainability (ESS)
  - Environmental and Social Sustainability Assessment and Management (ESSA)
  - Environmental and Social Sustainability Assessment and Management (ESSA)

**YOUR DEGREE OPTIONS**

- Master's Degree Program (4 semester/2 years, 2 semesters/1 year)
- Professional Master's Degree Program (1 year)
- Doctoral Degree Program (7 semesters or more)

**YOUR SMART CHOICE**

- For Masters
  - Marine Plastics Abatement
  - Environmental and Social Sustainability Assessment and Management (ESSA)
  - Environmental Engineering and Management (EEM)

- For Doctoral
  - Sustainable Aquaculture and Fisheries Management (SAFM)
  - Sustainable Urban Development (SUD)
  - Global Economic and Social Development (GESD)
  - Global Economic and Social Development (GESD)

**LIVING IN THAILAND**

- Living in Thailand
  - Food, Agriculture, and Bioresources
  - Agribusiness Management (ABM)
  - Aquaculture and Aquatic Resources Management (AARM)
  - Environmental and Social Sustainability Assessment and Management (ESSA)
  - Environmental Engineering and Management (EEM)
  - Energy and Climate Change Engineering (ECE)
  - Environmental Management (EM)
  - Urban Environment and Management (UEM)
  - Environmental and Social Sustainability (ESS)
  - Environmental and Social Sustainability Assessment and Management (ESSA)
  - Environmental and Social Sustainability Assessment and Management (ESSA)
