**LIVING IN THAILAND**

Many Asian cultures collide in the geographic center of Southeast Asia, Thailand. This cultural merging results in a beautifully unique country. Thailand has it all, from mountains to beaches, temples to towering shopping malls. Bangkok, a fascinating metropolis at the crossroads of East, Southeast and South Asia, is no stranger to the title of ‘World’s Best City’.

AIT’s main campus offers fast and easy access to the city, which is a regional center for commerce, culture and careers. The rest of Asia is also easily accessible from Thailand’s cosmopolitan capital.

Full and Partial Scholarships are available, which are limited and offered on a competitive basis.
